

**INTERNATIONAL
SECURITY SERVICES**
DEDICATED SECURITY EXPERTS

Capability Statement

Founded in 1999, **International Security Services, Inc.** has been a leading provider of armed and unarmed security guard services for multiple industry sectors, including residential and commercial site protection, bodyguard and executive protection, security escort services, and protection for financial institutions, private events, concerts, and more. In addition, we provide reliable background checks, surveillance, investigative services, polygraph testing, and missing persons assistance. We also operate training schools for armed and unarmed security guards, as well as an institute for students wishing to become Fire and Life Safety Directors. As part of our training offerings, we assist students with handgun and security guard licensing processes.

Core Competencies

- **Security Guard Services (New York Only)**
- **Physical Investigation Work (New York Only)**
- **F&LSD Training**
- **Fire Department Certificate of Fitness Consultation**
- **Armed & Unarmed Security Guard Training**
- **Handgun Licensing Consultation**
- **Multi-State & International Private Investigation**
- **Executive Protection**
- **CCTV Installation & Armed/Unarmed Response**

Differentiators

- We maintain strong ties to the Brooklyn area, as well as ties with New York City's political leaders, law enforcement, and Russian-American and Jewish communities.
- Our investigative services are bolstered by a network of private investigators across the United States and around the world. Along with our support staff, these affiliates help to ensure broader coverage during physical investigations.
- Our team of employees include professionals who speak more than a dozen different languages.
- We maintain a select group of armed guards who have prior tactical, small arms, and special forces expertise.
- Our company's founder is a former military officer, and many of our star guards have law enforcement or military experience here in the U.S. or in their former countries.
- Our security services rely on state-of-the-art technology, using the Silvertrac Software system to provide ISS and its clients with real-time guard monitoring, instant change-of-service updates, daily activity reports, instant alarms, and prompt feedback and evaluation for clients and guards.
- With our Silvertrac system, we provide each client with the highest levels of accountability, transparency, and communication.
